Rules

Covid rules are still applied, but masks and mouth shields are optional.

Junior (15 and younger), Mu-kyu, and Kyu Divisions:

Each match will be 2 minutes, with one 1-minute encho in case of a tie. Final decision by hantei. For the semi-final and final matches, ties will be determined by unlimited encho until a winner is determined.

In the case of a participant having back-to-back matches, the participant will be given a 2-minute rest period. They may waive all or part of the rest.

Dan Divisions:

Each match will be 3-minutes, with one 2-minute encho in case of a tie. Final decision by hantei. For the semi-final and final matches, ties will be determined by unlimited encho until a winner is determined.

In the case of a participant having back-to-back matches, the participant will be given a 2-minute rest period. They may waive all or part of the rest.

Team Divisions

Each dojo may submit 1 team consisting of 5-persons, which must have at least 3 members from the represented dojo in the 1st, 3rd, and 5th positions.

Each match of the team divisions will be 3 minutes with no encho. Winning team will be determined first by number of wins, then by total number of points. In the event that this results in a tie, one representative from each team will engage in *ippon shobu* with no time limit. All team members will compete regardless of whether or not there is “a clear winner,” unless otherwise announced.

Injury

In the event of an injury, per Part 2, Chapter 2, Section 2 of *The Regulations of Kendo Shiai and Shinpan*, injured persons will be given a 5 minute break. After the break, in the case that the injured person cannot continue, if the opponent caused the injury then the opponent loses. If the cause cannot be determined, the injured person loses. A person deemed to have caused such an injury is not allowed to compete in following matches. The injured person may continue in other matches with permission of the doctor and shinpan-in.
